12 I do not think any question of alteration of the rule of M.S.R. was intended in my note at A— My meaning was that it is within Medical Chief's discretion to apply the rule in art-157 M.S.R in the case of the Subordinates of the Judicial Dept on the presumption that they enjoy the Annual Vacation, and without taking into account the fact that in view to the arrears of work upon them reasons some one of the officials of a Court are asked to attend the Court during the Vacation—

13 The presiding officials during Vacation is, it seems, for one of the reasons above mentioned to above—, and × officials are generally allowed to enjoy the Vacation—

2) I think it is desirable to include in the M.S.R a list of appointments & Establts which are to be regarded as enjoying vacation for the purpose of sec VI chap 12 M.S.R. There seems to be some confusion in the matter now. Of course it will be permissible to treat one part of an establt as vacation enjoying & the other part as non-vacation but these parts should be specified so that for L.A.S. leave can be regulated properly. At present sometimes whole establts of schools & courts may be regarded as non-vacation in some cases to the loss of govt. JM 16/12

I think it will be as well if a general case could be prepared to enumerate all the officers who will come under the Special Rules contained in Arts. 157 & 185. There will be frequent applications for additions & amendments to this list if one is to be prepared. As I have already observed the provisions of the articles are clear enough & free from ambiguity and I do not think it is necessary to attach a list of the officers coming under the above rules.

SIR,

I have the honor to state that the Registrar of the Mysore University wanted to know how many days casual leave was allowed in a calendar year to the subordinate officials of the Education Department and of the Civil Courts enjoying annual vacations. On enquiry of the Chief Court and the Inspector-General of Education, I learn that in the case of subordinate officials not allowed to enjoy periodical vacations, the Judicial Department allows only 10 days casual leave in a year under Article 157, Mysore Service Regulation, while the Education Department allows 15 days under Article 156, Mysore Service Regulations. The practice is thus divergent in the two departments and I request therefore that definite orders of Government may be kindly obtained in the matter.
